

We have both decided that our relationship has no tolerance for another episode of cheating even if one of us has a sexual addiction

# NO MORE CHEATING IN OUR RELATIONSHIP CONTRACT

for married and unmarried couples

You have already cheated on me once. I have decided to stay with you and continue our relationship only if you get counseling and agree to the following conditions.

1. You must successfully participate in weekly (26 weeks or longer) individual/group/sexual addiction counseling and medication therapy if needed.
2. Abstain from using drugs and alcohol.
3. Not commit any violence or abuse against me and/or the children.

---

## Married Couples

At the beginning of each year, we will list all our assets to be owned jointly and legally. If it is proven that one of us is a cheater, has had a sexual relationship with someone else while we were married, or begins a new relationship with someone else, the person who cheats has agreed to willingly give up 2/3 of all of their assets, properties, and investments with no recourse or hiring an attorney for representation.

## Unmarried Couples

Our relationship will be terminated immediately for having another episode of cheating or having sexual activity with another person.

---

After signing this agreement, if the person cheats again or has sexual activity with someone else, the cheater agrees to leave the residence immediately and not return. A Stay Away Order/Restraining Order will be requested from the court to restrict any contact between us. We have both agreed that there will be no reconciliation. All abuses and harassment during and after this relationship will be documented and submitted to the police and criminal court for prosecution.

If there are children involved, custody will be surrendered by the cheater until legal court action can determine custody status of the child/children, visitation, and which parent is considered to be the most responsible and stable to care for the child/children.

By signing below, we both agree to all terms in this contract.
